The question

Using BOTH documents and your knowledge of nativism and immigration policy (US.29) and the political climate of the early 1920s (US.35), write a multi-paragraph response that applies the HIPP framework to each document and constructs an argument about how the ideology of 'Americanism' in the 1920s shaped immigration policy. Your response must analyze both documents' Historical context, Intended audience, Purpose, and Point of view, and explain what the documents reveal when read together.
